

## LETTER FROM THE PARISH PASTORS

Dear Parents and Guardians,

A priority in every parish is the education of our young people in the faith. An education must touch their hearts and minds, so that they can become aware of the great love that our heavenly Father has for each and everyone of them. An education forms their foundation as they grow into adulthood; their Catholic faith becomes an integral part of who they are as human persons and informs every aspect of their lives as they endeavor to live a life of discipleship. Holy Family Catholic School has continued the tradition of providing this type of excellent Catholic education to each of our children and will continue to provide excellent Catholic education to our young people as we move forward in the years to come. St. Joseph Parish and St. Charles Borromeo Parish are both committed to supporting our parish school, Holy Family Catholic School, as it continues to grow and offer the best in Catholic education to each of the children who attend our school.

Holy Family Catholic School is an institution that provides a loving family educational environment based on the Catholic faith, the teachings of the Church, the love that our Lord Jesus has shown each of us and the love that we are called to share with one another. We are committed to providing an education that offers excellence in academics, religious and spiritual faith formation, moral character and the ongoing development of the whole human person.

Mrs. Corinne Alimento, school principal, heads our school. Mrs. Alimento is an excellent leader, is a person of faith, character, caliber, integrity, energy, skills, vision, knowledge and enthusiasm. She has a deep love of children and an innate ability to build rapport with both children and parents. She has come to know each child and each family personally during her tenure as our principal. She leads an outstanding and well balanced teaching staff that is dedicated to providing high quality education to our children in academics, in the arts, in athletics and in the Catholic faith. We take pride in and have the utmost respect for each of them.

The future that we have envisioned is that Holy Family Catholic School will provide an environment that will help our students grow in their faith so that they become knowledgeable and contributing Catholics, while, at the same time, providing an excellent education that prepares our students for high school, college and life in our changing world. We are very excited about the 2010-2011 school year and the future of our school as we continue to provide a faith-filled learning environment for our children.

Thank you for supporting Holy Family Catholic School. We take seriously the trust you place in us when you decide that our school is the best educational environment for your children. We know it is a critically important decision in the life of your family and offer you our prayerful support. Please make sure to register as soon as possible and be part of our exciting future!

Rest assured that you and your families are in our prayers. Giving thanks to God for all the blessings that He has given our school and parish communities, we are
